

Fund Company	Website	Tech Support	Helpful Hints
	http://www.myaccountviewonline.com/login	<p>(800) 558-7567</p> <p>Go through verification process & ask for Tech Support.</p>	<p>New user – you should receive an email to finish your Account View setup. Your username is your email address. You will need an account number, your zip code, and the last four digits of your SSN on hand. In this email, you will need to click “Activate Profile” to begin. <i>If this step is not complete within 24 hours of the account opening, please call WWK to resend this activation link.</i></p> <p>Once you have validated your account, select a password, agree to the site terms, and select “Go Paperless” (this does NOT elect electronic statements – this will need to be done once you are in Account View).</p>
	www.americanfunds.com/individual/	<p>(800) 421-4225</p>	<p>New user - username will be your account number & password is last 4 of social security number.</p>
